- Professional skills

4. Social License

- RSC, Sustainable Mining, Social Value of Mining
- Permitting
- Environmental Risk Management
- Water: footprint and secure supply, tailings
- Health and Safety
- Social Perception and Acceptance
- Responsible Sourcing

ANNEX I

5. Innovation & Digitalization

- Mine of the Future, Smart Mining
- Artificial Intelligence, Machine Learning, Sensors
- New Technologies: exploration, explosives, leaching, flotation, autonomous systems
- Optimum Mine Designs
- New Materials, Batteries
- Aggregates and other Nonmetallic Materials

6. Business Management

- Risk Management
- Value Chain: markets, prices, hedging
- Feasibility
- Financing
- Start ups /Spin off

ANNEX II

1. Presentation

The deadline for submitting proposals is Friday 10th of May 2024. Proposals should be sent to the following email address: scientificcommittee@mmhseville.com.

Once the deadline expires, the Scientific Committee will assess proposals received, admitting those it considers suitable based on their subject, quality of the proposal, and merits of the author.

Presentations will last 30 minutes and will take place in the presentation rooms established by the organization.

Presentation proposals must be submitted using the form attached to this annex, indicating personal information, contact details, institution or company affiliation, type of presentation, topic, and a brief description of the presentation*.

The absence of any data may result in non-acceptance by the Scientific Committee.

2. Poster

Guidelines for the placement of Poster communications:

1. The poster should not exceed 120 cm in height and 90 cm in width.
2. The poster will be placed and removed by the authors in the locations assigned by the organization.
3. In the poster area, someone from the organization will be available to provide the necessary material for the correct placement, of the poster.
4. At least one of the authors must be present during the time reserved for the poster presentation in case their intervention is necessary. The presentation space will be reserved through the app in the "Innovation Hub" section.
5. The poster design with information regarding its layout will be provided soon.

3. Innovation HUB

Brief conferences will be organized in an exhibition area, outside the presentation rooms, to allow for easy listening and interaction with the speaker. Means for listening and asking questions (mobile app and microphones) will be provided.

*The deadline for submitting proposals is Friday 10th of May 2024, proposals should be sent to the following email address: scientificcommittee@mmhseville.com. The Scientific Committee will assign presentation dates and available spaces to the interested individuals.

ANNEX II

Proposals for the Innovation Hub should be submitted according to the form attached to this annex, indicating personal information, contact details, institution or company affiliation, type of presentation, topic, and a brief description of the presentation*.

The absence of any data may result in non-acceptance by the Scientific Committee.

* Personal data provided through the forms will be used exclusively for the purposes stated by this congress and will not be available for any other purpose or person. Likewise, the information contained in the documents and presentations submitted and published for the MMH purposes will be the sole responsibility of the corresponding authors.

By applying, you accept the publication of your name, photograph, or recording during the presentation or speech on media, social networks, and/or the internet. In any case, the interested party may exercise their rights of access, rectification, cancellation, and opposition, as recognized by the Data Protection Law, by contacting us through the following email address: scientificcommittee@mmhseville.com.
